# Milica Micić

Lead Implementation Consultant at The Nth Power Inc.  
Valencia Area, Spain

## Experience

The Nth Power Inc.  
Offshore Team Lead  
May 2015 - Present (5 years)  
Valencia

Mili joined The Nth Power team in 2015 as a project support resource. Since joining she has successfully implemented Oracle EPM solutions for many customer projects in America, Canada and Europe.

Mili's role at The Nth Power includes Oracle-Hyperion consulting and 123 OLAP Training. She is skilled in all phases of Planning/Essbase implementations including development and project management. Mili is a certified Oracle PBCS Implementation Specialist.

Being part of The Nth Power Team Mili has consistently improved her consulting abilities and organizational skills and has become involved in strategic high level decision making. Mili speaks several languages (including Spanish and Italian) which have made her a hub of communication and leadership in The Nth Power Spanish office.

Mili holds a BS in Hispanic Philology from Belgrade University.
